St. Michaels Benedictine Abbey and Monastery.

By kind permission of the Prior and Community aerials of G3IZJ are in the Abbey grounds.

Farnborough Abbey is unusual in that it houses the remains of Napoleon III ; it is known for its Choir and as a local centre of music.

The principal enterprise on which the Community relies for support is book-binding.

Under the direction of one of the Monks, craftsmen are engaged binding books for establishments at home and abroad.

Restoration work is also carried out on ancient books.
